

## Nations Project

Each year, every CCA family will be assigned a Nations Project. The intention of this project is to raise awareness, about different countries and cultures around the world, but most importantly, we want to highlight their need for the Gospel. **We encourage families to work on this together, gathering and presenting information at the student's grade level.** The sections may be more than one page but not less than one page. This project will be presented to classmates the last week of school and displayed at the Year-End Celebration on Friday, May 20, 2022.
